Big Blue Home
Anna Tabbush

Please look after this big blue home
You know she's not ours to own
In fact we are part of her
And she's part of us
And while we live on her
If we take less than we give to her
She will take care of our children
When we've turned to dust

Some may say we can run to Mars
Find another home in the stars
But we all need the beauty of earth
It runs through our veins
So we'll look after this world we have
We'll show her love and she'll love us back
For we need the trees and rivers
The sunshine and rains

Hal An Tow

Take no scorn to wear the horn
It was the crest when you were born
Your father's father wore it
And your father wore it too

Hal an tow, jolly rumbalow
We were up long before the day-o
To welcome in the summer, to welcome in the May-o
For summer is a-coming in, and winter's gone away-o

Robin Hood and Little John
Have both gone to the fair-o
So we will to the merry green wood
To hunt the buck and hare-o

We have brought the budding branch
To blest each hearth and bed-o
For none should lie alone today
But to the woods, instead-o!

God bless aunt Mary Moses
In all her power and might-o
May she bring peace to England
Bring peace by day and night-o
