When I Walk Down the Street

Charlie Thomson, Arr. Dom Stichbury.

When I walk down the street I hear music everywhere
When I walk down the street I hear music everywhere
When I walk down the street I hear music everywhere
Oh I believe, ooh ooh, that there's a heaven somewhere, ooh ooh

I said heaven, I said heaven, I said heaven, oh heaven
Oh I believe, ooh ooh, that there's a heaven somewhere, ooh ooh

When I walk down the street I see sunshine everywhere
When I walk down the street I see sunshine everywhere
When I walk down the street I see sunshine everywhere
Oh I believe, ooh ooh, that there's a heaven somewhere, ooh ooh

I said heaven, I said heaven, I said heaven, oh heaven
Oh I believe, ooh ooh, that there's a heaven somewhere, ooh ooh

When I walk down the street I hear music everywhere
When I walk down the street I hear music everywhere
When I walk down the street I hear music everywhere
Oh I believe, ooh ooh, that there's a heaven somewhere, ooh ooh

I said heaven, I said heaven, I said heaven, oh heaven
Oh I believe, ooh ooh, that there's a heaven somewhere, ooh ooh

I said heaven, I said heaven, I said heaven, oh heaven
Oh I believe, ooh ooh, that there's a heaven somewhere, ooh ooh
Oh I believe, ooh ooh, that there's a heaven somewhere, ooh ooh
