The Buzzard

Into the wind carefree we sing
Loud as the buzzard cries
She is steadfast in direction
With a fire within her eyes
And we will never stop singing
While her song fills the skies

The Buzzard

Into the wind carefree we sing
Loud as the buzzard cries
She is steadfast in direction
With a fire within her eyes
And we will never stop singing
While her song fills the skies

The Buzzard

Into the wind carefree we sing
Loud as the buzzard cries
She is steadfast in direction
With a fire within her eyes
And we will never stop singing
While her song fills the skies
