Light of Clear Blue Morning

Dolly Parton

It's been a long dark night,
And I've been waitin' for the morning,
It's been a long hard fight,
But I see a brand new day a-dawning.

I've been looking for the sunshine,
You know, I ain't seen it in so long, woah
Everything's gonna work out just fine,
ooh (and) everything's gonna be all right,
That's been all wrong.

'Cause I can see the light of a clear blue morning,
Yes I can see the light of a brand new day,
Yes I can see the light of a clear blue morning,
ooh (and) everything's gonna be all right,
It's gonna be okay.

It's been a long, long time
Since I've known the taste of freedom,
And those clinging vines,
That had me bound, well I don't need them,

I've been like a captured eagle,
You know, an eagle's born to fly, woah
Now that I have won my freedom,
(ooh) Like an eagle, I am eager for the sky.

'Cause I can see the light of a clear blue morning,
Yes I can see the light of a brand new day,
Yes I can see the light of a clear blue morning,
ooh (and) everything's gonna be all right,
It's gonna be okay.
