Auld Lang Syne

Should auld acquaintance be forgot
And never brought to mind?
Should auld acquaintance be forgot
And auld lang syne?

For auld lang syne, my dear
For auld lang syne
We'll tak a cup o' kindness yet
For auld lang syne

And there's a hand, my trusty fiere!
And gives a hand o' thine!
And we'll tak a right guid-willie-waught
For auld lang syne
