

## **All About That Bass**

Because you know I'm all about that bass, 'bout that bass – no treble  
I'm all about that bass, 'bout that bass – no treble  
I'm all about that bass, 'bout that bass – no treble  
I'm all about that bass, 'bout that bass

You know my teacher, she told me that I gotta sing up high  
Oh yeah, she said I should sound like the birds flying through the sky  
You know that I wanna please her so I'm gonna try and try  
But those high squeaky notes, well they don't really sound quite right
